

## Consultations & Installations

### **In House Consultation: Free**

Email or bring us a photo of the area/s you would like to landscape and we will provide you with options based on photo, irrigation availability and sun conditions.

This consultation is suited for the DIYer but doesn't know what plants go in what type of locations.

### **Standard Consultation - \$75 minimum consultation fee \***

Consultation includes:

1. Up to 45 minutes on-site consultation.
2. An estimate of plant material and labor for LaFleur to perform the work for you.
3. A visit to the garden center to look at samples if needed.

This consultation is best suited to customers who:

- have a general idea of where plant material will go
- are simply looking for on-site advice
- only need a hand sketched diagram of design and plant location
- have a smaller project than a "whole" front or backyard re-do

### **Comprehensive Consultation- \$199 minimum consultation fee\***

1. 30-60 min on-site consultation.
2. A landscape plan depicting existing landscape, building, and location of new plant material
3. A follow up consultation at LaFleur's to ask questions and look at plant material samples.
4. An estimate of plant material and labor for LaFleur's to perform the work for you.

This consultation is best suited to customers who:

- do not have an idea of where new plant material will go
- want a landscape plan diagram
- have a larger project, such as an entire front or backyard re-do (or both!)

**\*Consultation fee will be a credit on invoice if Lafleur Nurseries does installation of design.**
